To All Members,

NOTICE – MATING CERTIFICATE SUBMISSION & LITTER REGISTRATION

Please take note that with immediate effect the Board has decided to amend the rules governing litter registration and submission of Mating Certification :-

- (i) All breeders must scan and make sure the **Sire & Dam** have a **Microchip Number** or **Tattoo Number** before you mate them. If there isn't any please call MKA.
- (ii) Please check that all puppies and adult dogs which you purchase have Microchips implanted in them.

Registration of puppies will be accepted only if the both parents have Microchip or Tattoo Numbers. If you need further clarification please consult the Registration Department MKA.
